## OVERVIEW

Your annual membership fee directly contributes to the successful operating, marketing and maintenance of The Lyric Theatre. Members are periodically called upon to vote on significant decisions affecting the theatre as well as nominating the committee members who set the strategic direction to ensure this venue of historic significance and local identity continues to benefit and evolve alongside the community it serves.

Should you wish to play an active role in supporting us with events, maintenance or day-to-day operations, we strongly encourage you to get in touch directly with the Committee Secretary Frances O'Brien - [frances\\_e\\_o@yahoo.com](mailto:frances_e_o@yahoo.com)
